

## **Shira Miller, M.D.**

### **Welcome & Introduction**

#### **About the Lecture:**

Dr. Shira Miller is co-chair of the Integrative Medicine 101 Workshop along with Dr. Dana Cohen. Dr. Miller will introduce the course and answer the question, “What is Integrative Medicine?”

#### **About Dr. Miller:**

Shira Miller, M.D. is founder and medical director of **The Integrative Center for Health & Wellness**, a concierge integrative medical practice in Los Angeles, CA. Dr. Miller graduated with a B.A. in Philosophy and B.S. in Biochemistry from the University of California, San Diego, prior to obtaining her M.D. at the Technion – Israel Institute of Technology. Dr. Miller trained in Internal Medicine at Highland Hospital in Oakland, CA, and has been an ACAM member since her residency.
